

Starting a Google Meet Meeting

There are two ways to do this, through accounts.google.com or through your Gmail account.

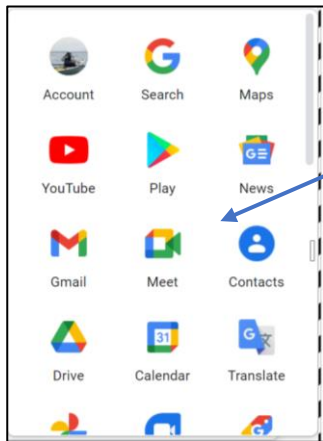

Starting a meeting using accounts.google.com

Type accounts.google.com in the address bar of your browser

Click the Google apps icon

Click Meet

Click New Meeting or Enter a Code or Link

Choose one of the following: Create a meeting for later, Start an instant meeting or Schedule in Google Calendar

For this example, I choose Start an instant meeting

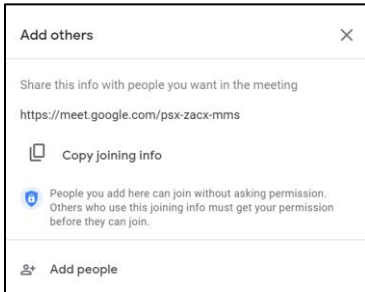

Starting a Google Meet Meeting

Click [Join now](#)

Your meeting will start and you can choose to add others by [Copy joining info](#) or [Add people by inserting email addresses](#).

Starting a meeting using your Gmail account

Next, choose to Send invite or Start now

Done!
